Shawna Calvert

Apollo Beach market leadership | Prepared November 2, 2026

No. 1 in the original 2026 Stellar MLS report

$80.015 million | 124.0 transaction sides

January 1 - November 2, 2026 · City of Apollo Beach · Ranked by Total Volume

No adjustment was required to establish the 2026 No. 1 ranking. The report credits Shawna with 49.0 sell-side and 75.0 list-side transaction sides. These are MLS side credits, not a count of unique homes.

Period	Original Stellar rank	Adjusted individual-agent rank	Volume	Sides
2026 YTD	1	1	$80.015M	124.0
2025 full year	2	1	$57.525M	90.0
2024 full year	3	1	$29.469M	57.0
2023 full year	2	1	$43.261M	63.5
2022 full year	3	1	$24.847M	34.0

What the annual reports establish

The four separate annual reports support No. 1 by Total Volume in the adjusted individual-agent comparison for each full year, 2022 through 2025. In 2023 and 2025, only the pooled Non-Member Agent entry ranked above Shawna. In 2022, that entry and Dominique Hernandez ranked above her; in 2024, that entry and Jodi Smenda ranked above her. The latter two are confirmed builder accounts in the saved registry.

The annual adjusted comparison separates confirmed builder, pooled and named team-leader accounts. It is not an unqualified official Stellar No. 1 ranking in those four years. In 2026 YTD, Shawna is No. 1 in the original report without adjustment.

Scope and source

Stellar MLS Agent Market Share Reports generated November 2, 2026. All six show Top 25, ranked by Total Volume. Criteria: Florida; City of APOLLO BEACH for five reports, County of Hillsborough for the current county report. No property-type filter is displayed. Dollar amounts are expanded from the source column labeled x$1000 and retain its rounding. The six original source sheets are appended.

16	Suresh Gupta 261071885	Builder Park Square Homes	10.0	$6,412,000

Why these account structures are separated

The Non-Member Agent entry pools unrelated agents. Confirmed builder accounts may aggregate sales from several sales offices, communities or representatives. A named multi-agent team-leader account has organization support that differs from a personal-production comparison. The MLS row alone does not establish who personally handled every closing.

Method: match MLS IDs to the saved Builder Call-Out registry and its September 25, 2026 clarification. Preserve the source metric and order; re-rank only visible included accounts. Adjusted rankings are presentation comparisons, not revised official Stellar MLS rankings.

All separated transactions remain valid market activity. Original market grand total: 1,926.0 sides and $833.475M total volume. No transactions are subtracted from the market totals.

Evidence for classifications

Classification evidence: saved Builder_Call_Out_Agent_Market_Share_Rules.md (September 25 clarification); tonybaroni.com/team-member-archive/; brendawade.com/team. Ben Goldstein matches the confirmed registry name; the 2022 source supplies MLS ID 629029835. Source reports do not show brokerage affiliations. Unverified accounts remain included.

The Non-Member Agent entry pools unrelated agents. Confirmed builder accounts may aggregate sales from several sales offices, communities or representatives. A named multi-agent team-leader account has organization support that differs from a personal-production comparison. The MLS row alone does not establish who personally handled every closing.

Method: match MLS IDs to the saved Builder Call-Out registry and its September 25, 2026 clarification. Preserve the source metric and order; re-rank only visible included accounts. Adjusted rankings are presentation comparisons, not revised official Stellar MLS rankings.

All separated transactions remain valid market activity. Original market grand total: 2,341.0 sides and $1,100.449M total volume. No transactions are subtracted from the market totals.

Evidence for classifications

Classification evidence: saved Builder_Call_Out_Agent_Market_Share_Rules.md (September 25 clarification); tonybaroni.com/team-member-archive/; brendawade.com/team. Ben Goldstein matches the confirmed registry name; the 2022 source supplies MLS ID 629029835. Source reports do not show brokerage affiliations. Unverified accounts remain included.
